## Prayer Acts 4:23-31

| 1. | They prayed                  |
|----|------------------------------|
|    |                              |
|    |                              |
| 2. | The content of their prayer: |
|    | a. God is in                 |
|    |                              |
|    |                              |
|    |                              |
|    | b for                        |
|    |                              |
|    |                              |
|    |                              |
| 3. | God their prayer             |
